

# SANDWICH

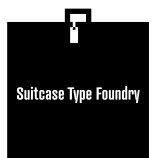

**Definition** The all caps display face Sandwich was inspired by historic, hand lettered sans serif alphabets with slightly sloping terminals, as found in showcard lettering and on billboards.

---

**Basic info**  
**Number of fonts in a family: 1**  
**Number of glyphs per font: 554**  
**Font format: OpenType**  
**Release date: 2006**

---
