

Purista

Definition

Purista is a strict, orderly typeface based on a well-tried principle of geometric sans serifs from mid-20th century. Its obsession with technological precision makes it perfect for use in corporate systems and visual communications of technocratic businesses. Thanks to its broad range of cuts, it is also ideal for display advertising.

Basic info

Number of fonts in a family: 10 (Thin, Thin Italic, Light, Light Italic, Medium, Medium Italic, Semibold, Semibold Italic, Bold, Bold Italic)
